5.	Min Ooo, there is so much panic, the whole of last night, this morning a) I called Mpshe yesterday, ehh, that you are about to arrest the old man b) In think I had no clue, and I don't understand how it should go that dramatic c) And everyone is just asking what is happening	Zuma
6.	LM The old man as in JS or JZ	
7.	Min Yea	
8.	LM I say, which one is Minister talking about	
9.	Min Yes they say they say he is imminently about to be arrested a) or something done to him or whatever b) and I am saying, as far as I know there is no such thing	
10.	LM Which one now, Zuma or Selebi	
11.	Min Zuma	
12.	LM Yea, no, no, no all that is happening is that uh a) We have to file today our opposition at the Constitutional Court b) To his application for a review of the search warrants c) And so we filed, we are filing a 166 page summary and affidavit d) with everything in it, umm	
13.	Min That's all you are doing	
14.	LM Ja, but in it we explain background to the case, we explain the searches, what it has yielded umm we explain	
15.	Min Ja, but you know what, sorry, I just think that eh, I was talking to Mpshe, a) to say to Mphse, please can, eh, you know the country is agog, b) I don't want, I don't think we want to that there be a loss of life there ne, c) you know, really.	
16.	LM I wonder can I send to Minister what we are filing, that may the answer	
17.	Min I don't know	
18.	LM I am saying to Minister, what we are filing is our notice to oppose a) And in our notice to oppose we explain what the case is about, b) we explain why we say it is in the interest of justice that the Constitutional Court should not accede to his application for leave to appeal c) Uh, but you know with lawyers working, they tend to write more than what is necessary d) But I am saying I can send Peter now with this document to Minister wherever Minister is e) So that you at least you have it with you, because it will create a bit of a furore f) But we are not arresting him, that's for sure g) I mean, that's a matter I said I want like to come and talk to Minister about h) when you have time, that's why I said to Rose that I would really like to see you at some point, I just don't know when it is convenient.	Driver ?
19.	Min What does it mean essentially then, uh, essentially it is a declaration that you are charging him	Minister's chief of staff
20.	LM No, we are not saying that.	
21.	Min OK	
22.	LM We they are saying that they have tied up the investigation a) they have made a recommendations to us b) they deal partly with the outcomes of the searches c) and then they say they have referred the matter to us d) they tied up their work by the 3rd of December e) and matter is under consideration by us – that's all	

- f) but I, I, you know, I mean, I don't know Minister,  
 g) if you ask me I would think that I should send you a copy of this affidavit
23. **Min** ok
24. **LM** If I was, if I was the Minister and the NPA  
 a) I actually told Mpshe he must tell you about this  
 b) Because we don't have a choice, you see, the constitution,  
 c) after the SCA gave its ruling on the 8th of November  
 d) Mr Zuma was supposed to file his notice,  
 e) if he wanted to apply for leave to the Constitutional Court  
 f) He has to file that by the 29th, he filed by the 30th  
 g) The then Constitutional Court gave us till today to file, so we don't have a choice,  
 h) it is just a legal process  
 i) But I think I think Minister should have ..
25. **BM** Ok
26. **LM** the affidavit
27. **LM** Can I get you a draft
28. **Min** But I also, we must find a way that you communicate  
 a) that there is nothing that is being done that is being political  
 b) or, or vindictive , and that is all you are doing  
 c) its some naughty people are  
 d) you must condemn what happened yesterday
29. **LM** ja
30. **Min** You must then condemn the hype around what is happening today  
 a) That in normal countries it is a normal legal process  
 b) And you must explain what it is, you know ..  
 c) And that they should not politicise you, you know,  
 d) you are responding to a court, a matter that is in court  
 e) I think you must be heard to be saying that and Mpshe  
 f) And, you know, even if you say it in a backdrop there is NPA Tlali Tali because at the moment it is confusing
31. **LM** I must say I am completely unaware,  
 a) Minister says there is a lot of hype about this  
 b) Because we have not spoken to anyone ..
32. **Min** well, people are not sleeping here, I mean people did not sleep  
 a) There is rumours, you have to quash those rumours  
 b) And then me and **Mpshe is going to ha**  
 c) I am sure everyone is just crumbling  
 d) I received calls from people you don't expect calls from  
 e) People who are usually very eh minimalist in their emotions, you know  
 f) But its the, the, the that the, the, that the..  
 g) And if it comes out that you are filing before you guys explain  
 h) and you chastise whoever did what they did around Jackie, you know  
 i) you need to very strongly dispel, and create an impression that you, you  
 j) that you trust that there will be no such interference  
 k) so that you give us strength so that there is never such interference  
 l) otherwise it is an environment where everything is **leaked!** out
33. **LM** no, no I appreciate that  
 a) But let me ma send, I will get my guys to phone and hear who is driving Minister and get it to Minister in an envelope

NPA media liaison person

- b) And I will wait to hear when you have time  
 c) and you can tell me where I can see you
34. **Min** You know what ..
35. **LM** Because Mpshe is going on leave ....
36. **Min** Listen, I am in Limpopo, I am Limpopo bound,  
 a) so giving it to me now won't help, what I, a, have done
37. **LM** Is it
38. **Min** I am expecting to have proper meetings with you next week on my return  
 a) Where we will, you will even appraise me about processes and stuff like that  
 b) You know one thing that upsets the president some time back,  
 c) upsets us around uVusi, is that Vusi came banging with things, you know
39. **LM** Yes, laughs
40. **Min** And he does not even have the decency of knowing that a president  
 a) Nobody stops you from doing your work, but sensitive things are sensitive things  
 b) and that the president, has to, let's say for example, a decision is taken that people are being prosecuted  
 c) He has to call a meeting, he has to brief the senior police and say this and this  
 d) He has to find a replacement  
 e) You can't just come, as if you are not arresting a common thief  
 f) and pick up a senior person from the street  
 g) The president then, has then find time to go and talk to ..  
 h) because it is about institutions of state,  
 i) you don't want to demoralise that and whatever and then  
 j) You can't just go  
 k) I mean yesterdays thing  
 l) When people were telling me  
 m) I was saying it will never happen again  
 n) They was saying, can you imagine these people gung ho  
 o) These people, who are with cameras,  
 p) who are going to go and pick up men from the streets  
 q) I said that is never happen going to happen, you know  
 r) we are not in the wild west
41. **LM** well, I was completely unaware of that thing,  
 a) I don't know what has gone on there
42. **LM** but Minister, I won't send affidavit then,  
 a) I will wait to here from you when you are back next week  
 b) Where are we likely to meet, in Pretoria or Cape Town, where will Minister be ?
43. **Min** Well I will be ...
44. **LM** except, I must be in Durban one day of next week, I must do some planning
45. **Min** One day, well I will be home on the 21st,
46. **LM** 21st, yes so you will be in Johannesburg
47. **Min** I will be in Johannesburg on the 21st,
48. **LM** Ok, orraait, I will then mah wait to hear from Minister
49. **Min** Yes, but I think dispel all these rumours please ne,
50. **LM** We will do that, we will do that
